## **SUMMARY**

- **The order of starting will be drawn.**
- **This competition takes place over eight obstacles which are progressively more difficult. No combination obstacles are included. The progressive difficulty is not solely due to the height and spread of the obstacles, but also to the difficulty of the track.**
- **This competition is one round against the clock.**
- **Points are awarded as follows:**
  - **One point for obstacle No. 1 cleared, two points for No. 2, three points for No. 3 etc. with total of 36 points. No point is awarded for an obstacle knocked down or refused, however, to complete the course the refused fence must still be jumped.**
